

# Cabrillo Field Trip to France

Spring 2011

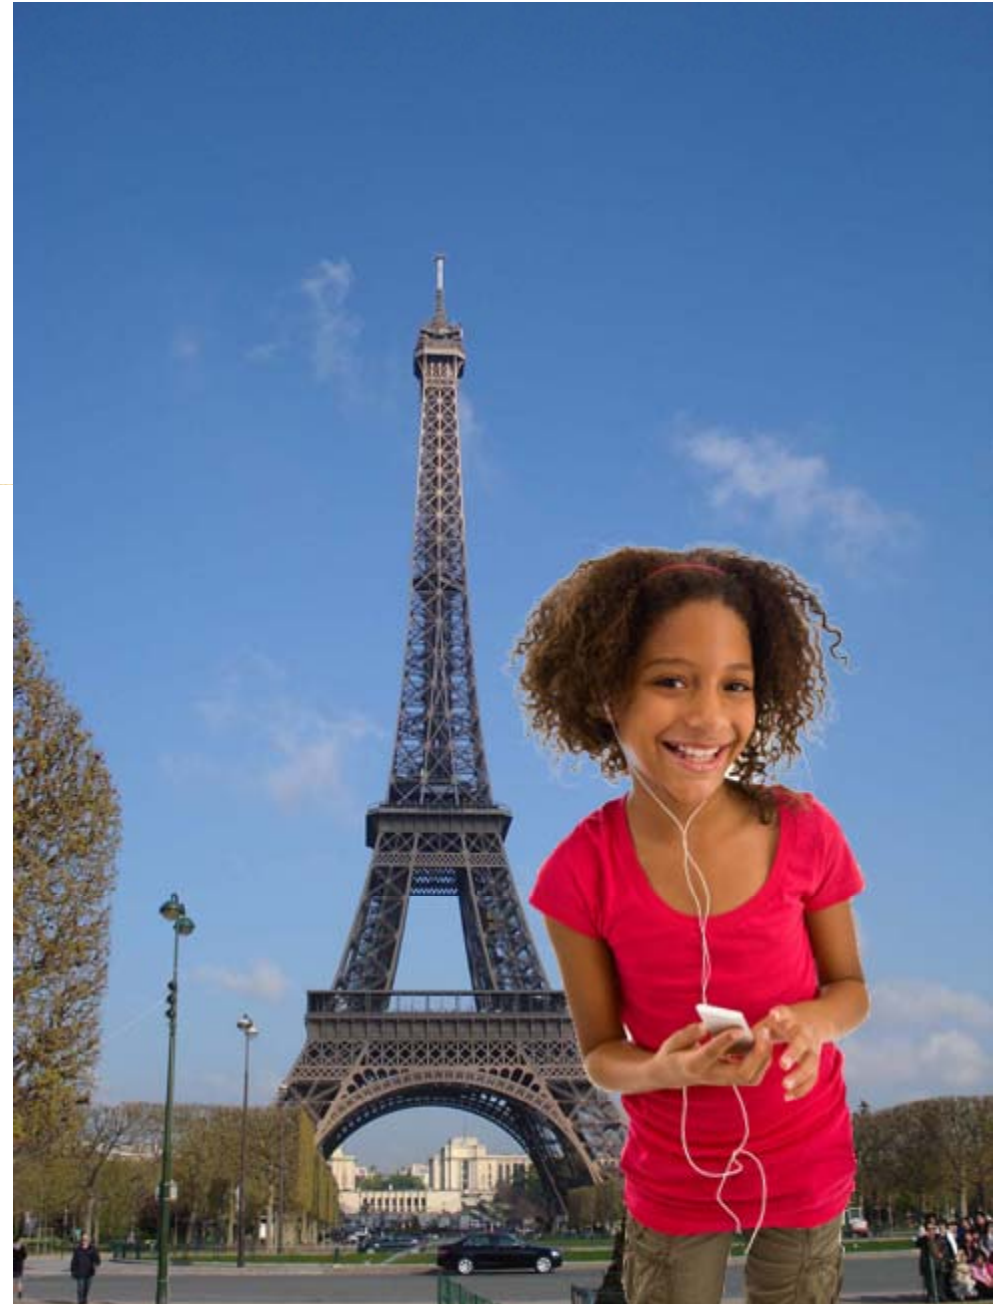

# Pam and Eric Flew to Paris

- Pam, Eric, and several other Cabrillo students were sent on a free trip to France as a reward for improved test scores.

- Pam enjoyed seeing the Eiffel Tower. She listened to some history of it on her mp3 player.

- Eric was not happy when he got separated from the tour group in one of the churches they visited. His cell phone did not work so he ended up getting a ride with a tour group from Japan.
